

Opening doors to the community for people with special needs

Saturday Drop Off - is a Respite program for ages 7-18. We meet at Point Breeze in Kingwood Township four Saturdays a month from 10am to 3pm. Some of our programs are in-house activities, while others take us to various places in the community. It is a great way to have fun with friends. Every other month we have a sleepover from Saturday to Sunday. Always a great time. Medications are administered by staff according to written parental instructions.

No cost, funded by DDD.

Camp Horizons - is a summer day camp for ages 8-16. For two separate weeks over the summer we go on day trips to many different places. You can attend one week or both.

No cost, funded by DDD.

Must be registered with the Division of Developmental Disabilities for these programs. Limited to residents of Hunterdon County unless approved by your DDD case manager.

Please contact Ronnie LaParr at 908-730-7827 ext. 231 or email at ronnie@archunterdon.org for further details.
